### 3. PRODUCT DESCRIPTION:

**ENVIRO-CLEAN NP7-Blue** is a unique industrial strength cleaner and degreaser that unites safety, effective cleaning and environmental awareness in a special formulation that is time-proven and job-tested. It is a neutral pH that is safe for vehicular finishes and easier on the hands.

### 4. PRODUCT USES:

For industrial, commercial and residential use. Any cleaning job from normal household to heavy duty steam cleaning or pressure washing. Use full strength for tough jobs or dilute 10:1 for normal cleaning.

### 5. JOB LIMITATIONS:

Above freezing temperatures

### 6. APPLICATION INSTRUCTIONS:

**NORMAL CLEANING:** Dilute concentrate 10:1 or 15:1 as needed. Spray on, let stand 1-3 minutes, agitate severe spots. A thorough rinse should follow. **SUGGESTED USES:** Any place that needs thorough cleaning and degreasing around the home, office buildings or commercial buildings.

**HEAVY CLEANING:** Use full strength or dilute 1:1 as needed. Spray on, let stand 1-3 minutes. Agitate severe spots. A thorough rinse should follow. **SUGGESTED USES:** Ramps, decks, platforms Engine rooms , engine parts, bulkheads, oil-stained concrete , barge compartments, fireplace carbon and soot , stripping wax, oil drilling platforms, etc. **EXTRA HEAVY CLEANING:** Scrape off extremely heavy grease build-up. Spray on, let stand 3-5 minutes. Agitate severe spots. Repeat as needed until area is clean. **SUGGESTED USES:** Holding tanks, engines and engine rooms, garage repair stalls, grease traps, etc. **STEAM CLEANING OR PRESSURE WASH:** A premixed solution can be drawn from auxiliary tube or put directly into mixing tank giving up to 1:200 dilution at the nozzle. **SUGGESTED USES:** Steam cleaning, hot or cold pressure washing.
